The Central Research and Publication Unit (CRPU) of Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli organized a lecture titled ***“The Art of Designing a Scientific Presentation”*** for the Undergraduate BDS students and Interns on 15th October 2025 by **Dr. Aditi Kanitkar, Assistant Professor**, Department of Prosthodontics Crown & Bridge, Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli who shared her expertise and practical insights on how to design and deliver an effective scientific presentation.

The objective of the lecture was to help students understand the key components of preparing a structured and impactful presentation for academic and research purposes. Dr. Kanitkar emphasized the importance of clarity, organization, and audience engagement in scientific communication. She elaborated on the appropriate use of visuals, charts, and data representations to enhance comprehension, and discussed common pitfalls to avoid in both design and delivery.

The lecture was highly informative and interactive, with enthusiastic participation from students. and will aid them in preparing professional-quality presentations for seminars, conferences, and case discussions. At the conclusion of the session, feedback was gathered from attendees to assess their experiences. Participants were asked to rate their satisfaction on a 5-point Likert scale, with 5 indicating excellent feedback and 1 indicating poor feedback. The results were subsequently compiled for analysis. Participation certificates were distributed to all attendees and were attached along with the collected feedback forms.
