Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Sangli organized an exclusive **INTERNS CAREER GUIDANCE PROGRAMME** for Interns on 22nd August 2025. Dr. R Ramya, Professor and Head of department of Oral Biology, Saveetha Dental College, Chennai was the invited Guest Speaker for this webinar. This webinar was conducted in auditorium on Zoom platform and was attended by 51 Interns from both regular and odd batch. Introduction of Guest speaker was done by Dr Prajakta Chougule, Associate Professor, Dept Of Conservative Dentistry. Moderation of the webinar was carried out by Intern Ishwari Patil.

Interns were provided with extensive information related to various career options after BDS. Importance of building career readiness skills was emphasised by the speaker which included honing of operational skills, exposure to research activities along with personality development. Valuable information related to various licensing exams and scholarships available for pursuing career overseas was also shared. It was a very insightful and interactive session which helped our Interns to choose their career paths which align with their interests and personality.

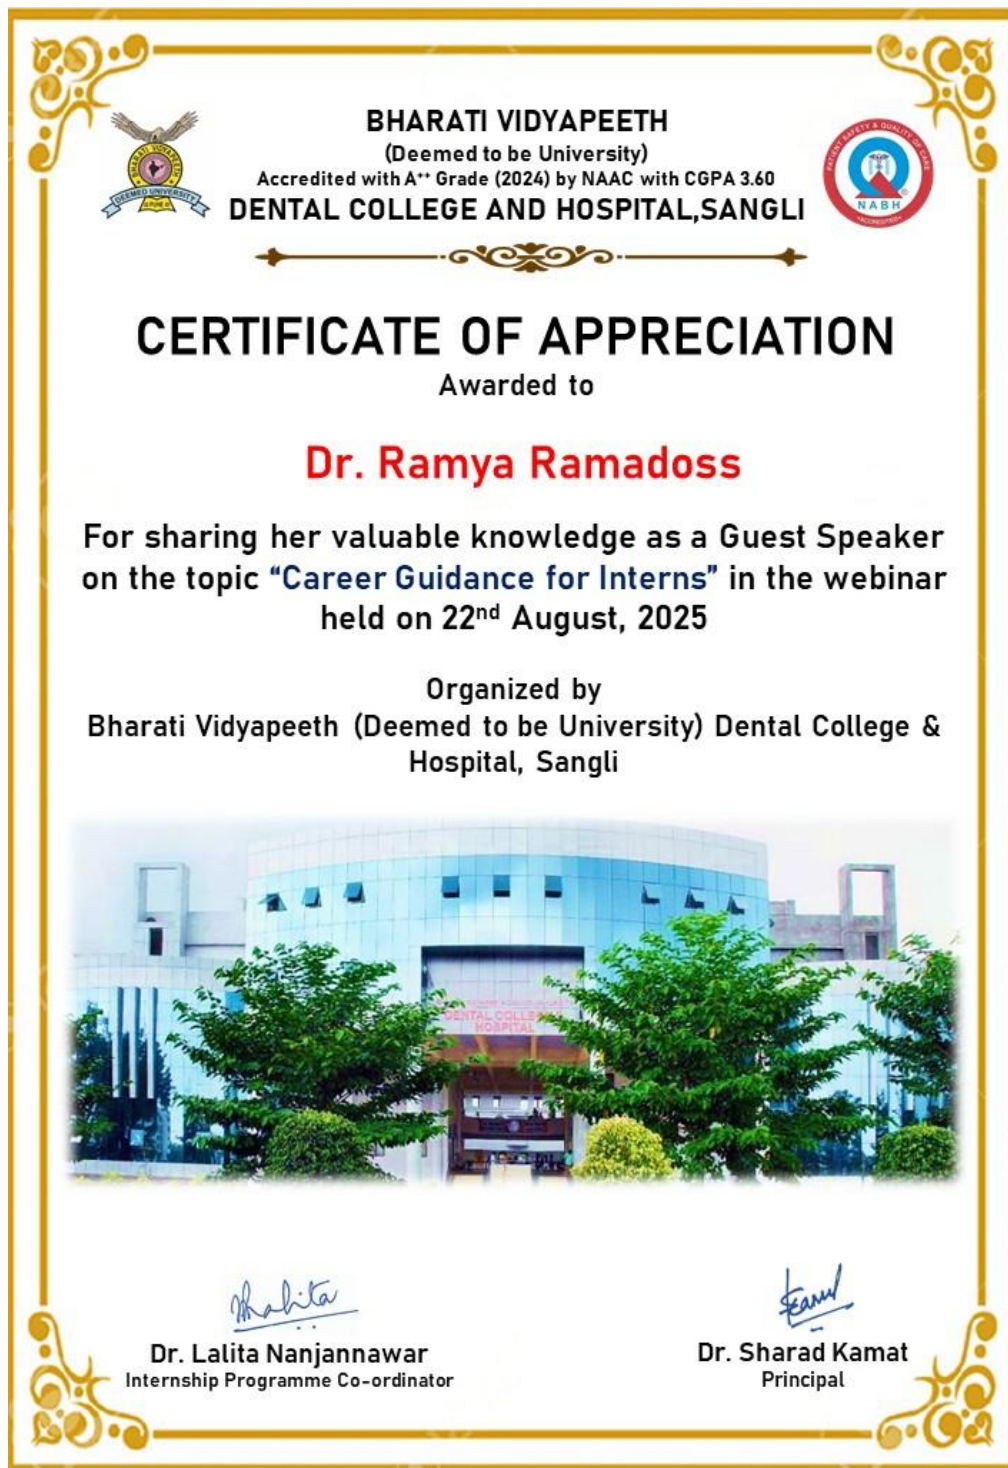

The speaker presented various unique career opportunities for dental graduates which are currently in demand such as embryologist, clinical trial investigator, cosmetic therapy, medical publisher, taste specialist, hospital administration, medical transcription etc. The webinar was followed by an interactive Q/A session where Interns received clarification of their queries from the experienced speaker.

The session ended with vote of thanks to the speaker who was also presented with e-certificate of appreciation. Feedback forms were distributed after the session and the feedback analysis report was generated. Overall, participants found the session quite interesting and relevant for their present needs. Amongst all the topics covered, Overseas opportunities and personality development were particularly found useful.

The organizing team was headed by Dr Lalita Nanjannawar, Internship Programme Co-ordinator and included Interns Incharges of all departments, Dr.Pallavi Kamble, Dr.Mokshada Badadare, Dr. Uma Dattar, Dr. Harshwardhan Kadam, Dr.Amol Karagir, Dr.Prajakta Chougule and Dr Shweta Sagare. The entire event was planned under guidance and supervision of our respected Principal Dr.Sharad Kamat Sir.

Outcome of the Activity:-

The Career Guidance Webinar proved to be highly beneficial for the Interns of Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli. The following key outcomes were noted:

1. Awareness of Career Opportunities – Interns gained extensive knowledge about diverse career avenues after BDS, both in India and abroad. Unique and emerging opportunities such as *embryologist, clinical trial investigator, cosmetic therapy, medical publishing, taste specialist, hospital administration, and medical transcription* were introduced to the participants.
2. Career Readiness Skills – The importance of developing essential skills including operational proficiency, research exposure, and personality development was strongly emphasized, motivating students to prepare themselves for a competitive professional future.

3. Guidance on Global Prospects – The session provided detailed information regarding licensing examinations, scholarships, and overseas study/work opportunities. This was particularly appreciated and noted as one of the most useful aspects by participants.
4. Interactive Learning – The Q/A session facilitated direct interaction with the expert speaker, enabling interns to clarify doubts and make informed decisions about their career pathways.
5. Recognition and Appreciation – The speaker was felicitated with an e-certificate of appreciation. The session concluded with a vote of thanks, reflecting the value attached to the expert's contribution.
6. Feedback and Impact – Feedback analysis indicated that participants found the webinar *insightful, interactive, and highly relevant* to their present needs. Among all topics, *Overseas opportunities* and *personality development* emerged as the most impactful and beneficial.

Overall, the activity successfully enhanced the career awareness, preparedness, and motivation of interns, guiding them to explore career paths aligned with their interests, skills, and personality.
