Friday, 29th August 2025

Time
10:00 AM TO 11:00 AM

Venue
Dental College Auditorium

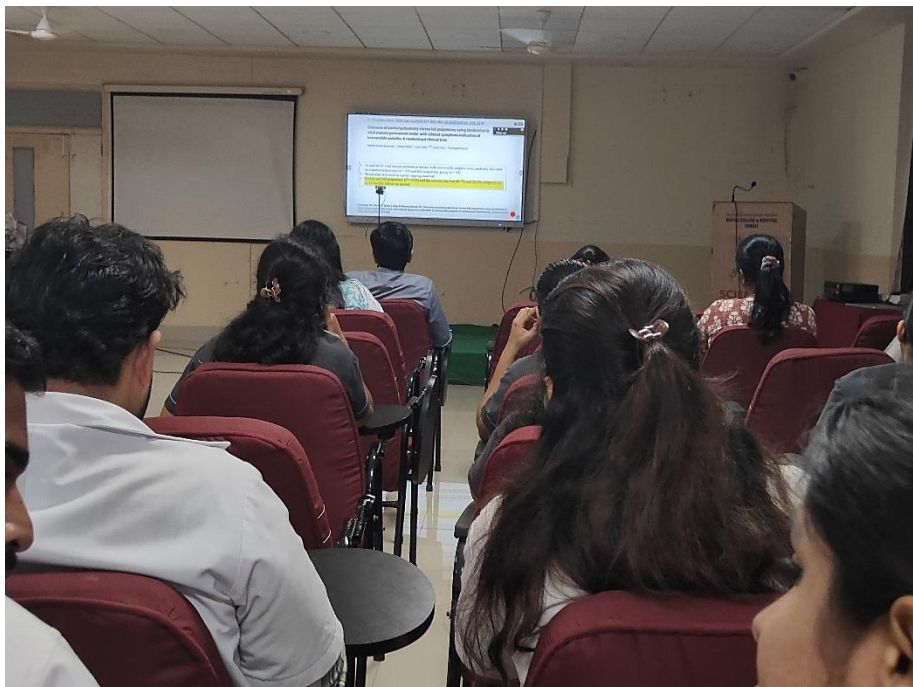

Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Sangli organized a Live Alumni Webinar on 29th August 2025. Dr. Divya Gupta, Associate Professor, Rangoonwala Dental College, Pune was the invited Guest Speaker for this webinar. This webinar was conducted in auditorium on Zoom platform and was attended by 72 students and 15 teachers. Introduction of Guest speaker was done by Dr. Pratiksha Adake, 2nd Year Post-Graduate, Department Of Conservative Dentistry and Endodontics.

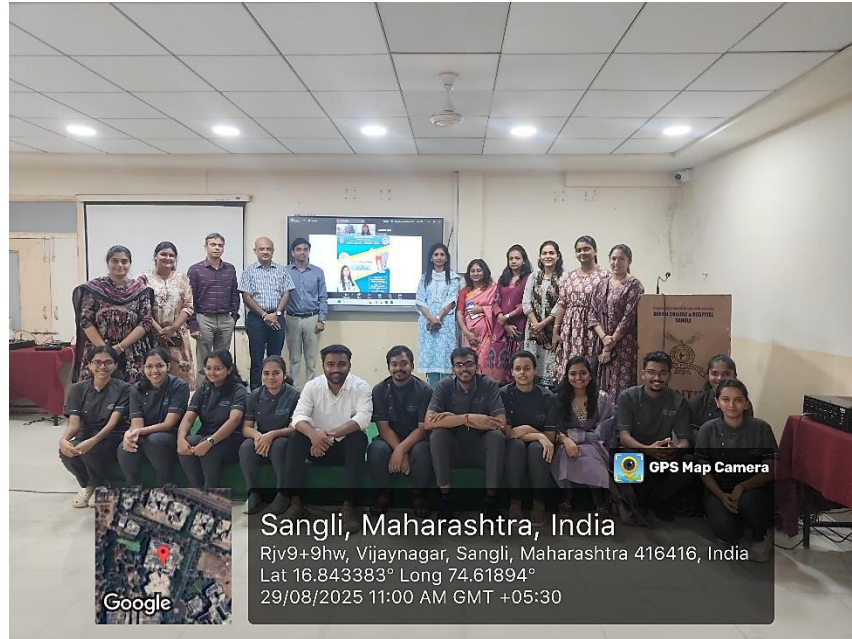

The webinar provided insights into the benefits of Vital Pulp Therapy, a less invasive alternative to root canal treatment which included- Direct and Indirect Pulp therapy, Pulpotomy, Apexification and Apexogenesis. These procedures aim to preserve the natural pulp and its vital functions, thereby prolonging tooth survival. The discussion likely covered indications for VPT, various techniques such as direct and indirect pulp capping, material selection and success factors like creating a proper coronal seal and maintaining pulp vitality.

Valuable information related to Different treatment options was provided using various case reports. The webinar was followed by an interactive Q/A session. It was a very insightful and interactive session.

The session ended with vote of thanks presented by Dr.Pratiksha Adake. The speaker who was presented with e-certificate of appreciation. Feedback forms were distributed after the session and the feedback analysis report was generated.

The organizing team was the staff and Post Graduate students of the Department of Conservative Dentistry and Endodontics. The entire event was planned under guidance and supervision of our respected Principal Dr. Sharad Kamat Sir.

Outcome of the Activity:-

The Vital Pulp Therapy Webinar proved to be highly beneficial for the students of Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli.

The following key outcomes were noted:

1. Guidance about the different Treatment modalities– The session provided detailed information regarding Direct and Indirect pulp capping, Pulpotomy, Apexification and Apexogenesis with case reports for better understanding.

2. Awareness regarding newer materials for vital pulp therapy – The students gained extensive knowledge about the composition, advantages and disadvantages of newer calcium silicate based materials.
3. Interactive Learning – The Q/A session facilitated direct interaction with the expert speaker which enabled the students to clarify doubts.
4. Recognition and Appreciation – The speaker was felicitated with an e-certificate of appreciation. The session concluded with a vote of thanks, reflecting the value attached to the expert's contribution.
5. Feedback and Impact – Feedback analysis indicated that participants found the webinar *insightful, interactive, and highly relevant* to their curriculum.
