Details of the Activity with Photographs (Geotag & non geotag Photos)-

The Department of Pediatric and Preventive Dentistry hosted a CDE Programme on *Dental Photography*, at Bharati Vidyapeeth Dental College and Hospital, Sangli on 27th & 28th March 2026. The program was carried out in the Auditorium, Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Sangli. It was well moderated and introduced by Dr. Himanshi Dave and Dr. Nidhi Choudhari (Post-graduate student, Dept. of Pediatric and Preventive Dentistry).

The programme was graced by the presence of Chief Guest, Dr. Vijaykumar Mane. An enlightening CDE Guest Lecture on **“Dental Photography”** was delivered by Dr. Devendra Nagpal, Professor and Head, Department of Pediatric and Preventive Dentistry, RD-DCRC, Nagpur, which was highly informative and beneficial for the students. The programme was observed by the MSDC Observer, Dr. Manish Shete from Vasant dada Patil Dental College and Hospital, Sangli.

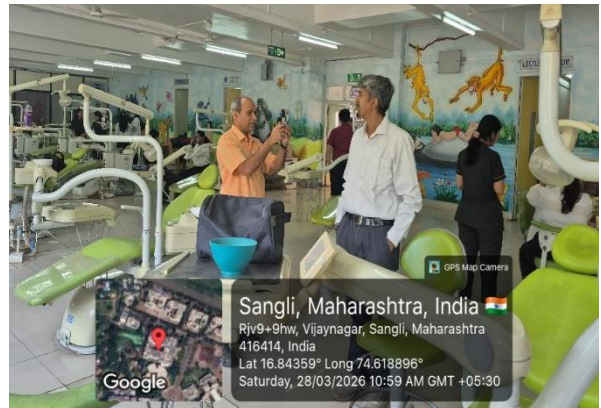

The programme was attended by faculty members, postgraduate students and interns from all the departments. Lectures, Live demo and Hands-on workshop was arranged for intraoral, extraoral and table top photography with mobile and DSLR camera, followed by their editing. The program was also attended online by faculty and postgraduate students from Maratha Mandal Dental College, Belgaum. Participants were awarded with 10 CDE credit points by MSDC. It was a perfect blend of knowledge, innovation, and practical learning to enhance documentation, publication and elevate clinical outcomes.

Further, interaction and question answers session was conducted by the department postgraduate students and teaching staff members. Programme was concluded with vote of thanks given by Dr Tanaya Kulkarni (Assistant Professor, Dept. of Pediatric and Preventive Dentistry).
