Details of the Activity with Photographs (Geotag & non geotag Photos)

Internship orientation programme was conducted on 11th April 2026 in auditorium at 10:00 AM. It was attended by 62 participants. Lecture was delivered by Internship Programme Co-ordinators, Dr Lalita G Nanjannawar and Dr Amrita Shinde.

The lecture highlighted the importance of Internship in setting up foundation for a successful clinical practice. This programme helped in facilitating smooth transition from academic learning to clinical practice acting as a foundation bridge to professional dentistry. It familiarized interns with clinical protocols, patient management, ethical standards and legal responsibilities. It also emphasized upon the requirement of constantly keeping oneself updated with the new trends in dentistry. The rules and regulations pertaining to internship programme very discussed. Interns were instructed to maintain decorum and discipline in clinics. They were encouraged to improve their procedural skills, equipment handling skills, communication skills and develop professional ethics. Various career opportunities after BDS were briefly discussed. Guidance related to preparation for postgraduate entrance exam was shared. The programme ended with Principal Sir's brief address to students regarding working with responsibility and accountability and encouraging them to manage patients in both institutional setting and rural outreach or community based activities conducted by our institution
