**“Advancing the SDGs in India:
Management, Sustainability, Law,
and Technology Perspectives”**

April 16-17, 2026

ABOUT UNIVERSITY

Bharati Vidyapeeth (Deemed to be University) Pune, is one of the top-ranking universities in India committed to providing the best academic experience. It was established by Dr. Patangrao Kadam in 1964 in Pune with the aim to provide enhanced learning opportunities and bring about intellectual awakening of people through the spread of education that would have a positive impact on the world. Today it has 8 campuses spread over different locations in India. With over 250 programmes across multiple disciplines, we have a wide range of options for our students. The cutting-edge courses in the emerging and established areas equip our students with in-depth knowledge and practical skills and prepare them to be the leaders of tomorrow.

ABOUT INSTITUTE

The motto of Bharati Vidyapeeth is ' Social Transformation through Dynamic Education'. Established in 1992, Bharati Vidyapeeth (Deemed to be University) Institute of Management and Research (BVIMR), New Delhi, A premier institution offering MBA/BBA/BCA/LLB/BBALLB, Re-Accredited with NAAC "A++", focuses on imbining the said values across various stakeholders through adequate creation, inclusion and dissemination of knowledge in management education. The institute has over the past few years emerged in the lead with a vision of Leadership in professional education through innovation and excellence. At BVIMR New Delhi, we impart quality education in management at Doctorate, Post Graduate and Under Graduate levels. The institute has more than ten thousand alumni serving at senior position in corporate, government and legal fraternity.

CONFERENCE OVERVIEW

The National Conference on “Advancing the SDGs in India: Management, Sustainability, Law, and Technology Perspectives” aims to provide an interdisciplinary platform for academicians, researchers, professionals, and students to discuss innovative strategies and policy frameworks for achieving the Sustainable Development Goals (SDGs) in India. The conference will focus on the role of effective governance, sustainable management practices, legal frameworks, and technological advancements in promoting inclusive and sustainable development.

Objectives

- To discuss the role of management, law, technology, and sustainability in achieving the SDGs in India.
- To promote research, policy dialogue, and interdisciplinary collaboration on sustainable development.
- To explore innovative solutions and governance frameworks that support sustainable and inclusive growth.

Sub-Themes

- Sustainable Governance and Public Policy
- Legal Frameworks for Sustainable Development
- Corporate Governance, ESG and Responsible Business
- Digital Governance, AI Regulation and Cyber Law
- Access to Justice, Human Rights and Constitutional Governance
- Contemporary Challenges in Human Resource and Marketing Management
- Gender Justice, Social Inclusion and Community Development
- Green Economy, Sustainable Finance and Environmental Governance
