

**Bharati Vidyapeeth (Deemed to be University),
College of Engineering, Pune
Department of Electronics and Communication Engineering**

Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune has signed a Memorandum of Understanding (MoU) with **QNX Everywhere, Pi Square Technologies** on 12th March 2026 in the area of Embedded Systems and Automation.

QNX is a globally recognized leader in embedded operating systems and real-time software, widely used in automotive systems, industrial automation, medical devices, and other mission-critical applications. This collaboration will significantly strengthen industry-academia interaction and provide valuable exposure to advanced embedded technologies.

Dr. Sunita Jadhav (Vice Principal) and Dr. Mangal Patil (Head, Department of ECE) attended the MoU signing program and represented the institute. This partnership will create new opportunities for research collaboration, technical training, internships, and skill development for both students and faculty members.
