

**BHARATI VIDYAPEETH
(DEEMED TO BE UNIVERSITY),
COLLEGE OF NURSING, SANGLI.
REPORT ON INDUCTION PROGRAM**

Date: 27/08/2026

Organized by: Department of Infection Control, Bharati Hospital, Sangli

Venue: BVDU College of Nursing Auditorium, Sangli

Participants: P.B.B.Sc. (N) and M.Sc. (N) Students

REPORT

An **Induction Programme on Infection Control** was organized on **27th August 2026** for the P.B.B.Sc. (N) and M.Sc. (N) Nursing students of Bharati Vidyapeeth (Deemed to be University), College of Nursing, Sangli. The programme was conducted in collaboration with the **Department of Infection Control, Bharati Hospital, Sangli**, at the BVDU College of Nursing Auditorium. The main purpose of the programme was to orient students regarding the importance of infection prevention and control in the hospital and clinical settings. The programme aimed to strengthen students' knowledge and awareness about safe clinical practices and to prepare them to provide quality nursing care while preventing the transmission of infections. The programme was interactive and informative. Students actively participated in the session and clarified their doubts related to infection prevention and control practices. The programme provided students with practical knowledge that will help them follow appropriate infection control measures during their clinical postings.

Overall, the **Induction Programme on Infection Control** was successfully conducted and proved to be highly informative and beneficial for the students. It enhanced their understanding of infection prevention practices and reinforced the importance of maintaining safety and hygiene standards in the clinical environment.
