DENTAL COLLEGE AND HOSPITAL, PUNE

DEPARTMENT OF PERIODONTOLOGY

Third Year Postgraduate students of Department of Periodontology, BVDUDCH, Pune participated in an intensive 3-day Student Exchange Program at Saveetha Dental College & Hospital, Chennai on 18th -20th May 2026

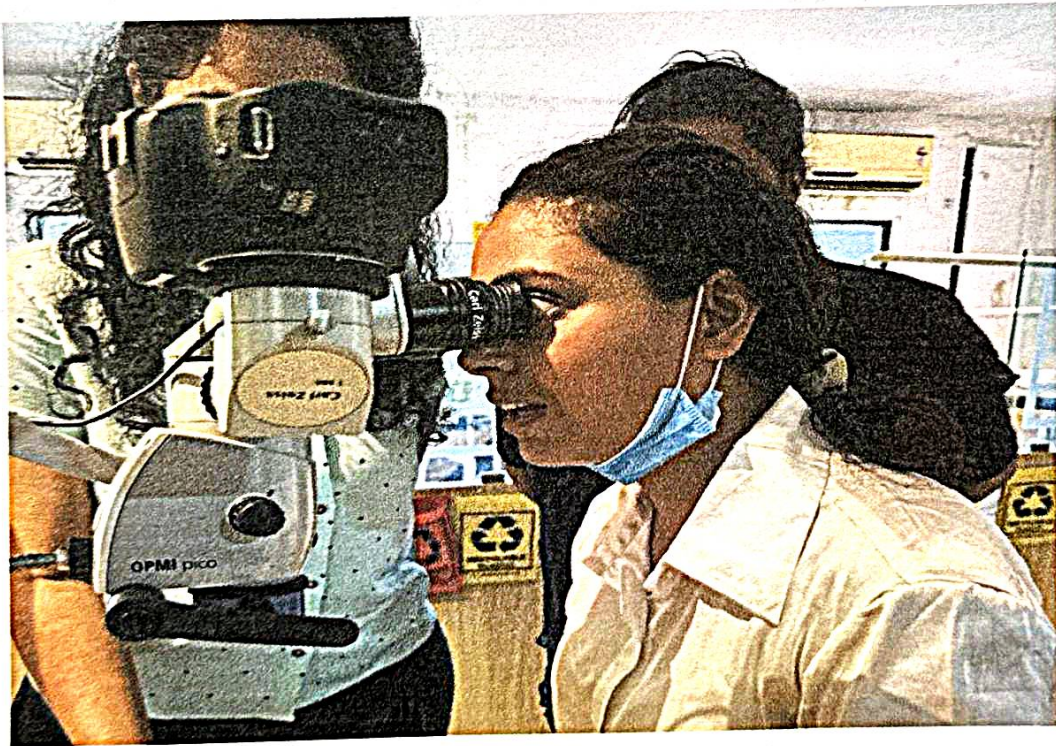

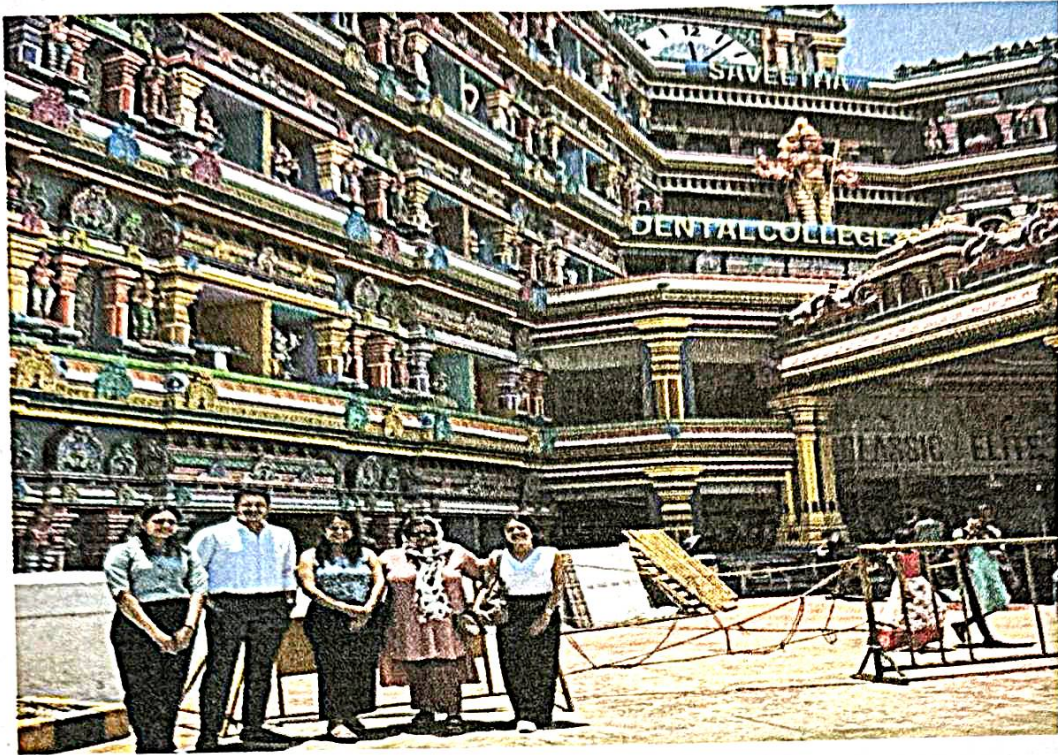

This academic initiative provided the students with an excellent opportunity to gain exposure to advanced concepts and recent innovations in the field of Periodontology like hands-on training and practical exposure to periodontal microsurgery techniques, various hard tissue laser applications, and research methodology.

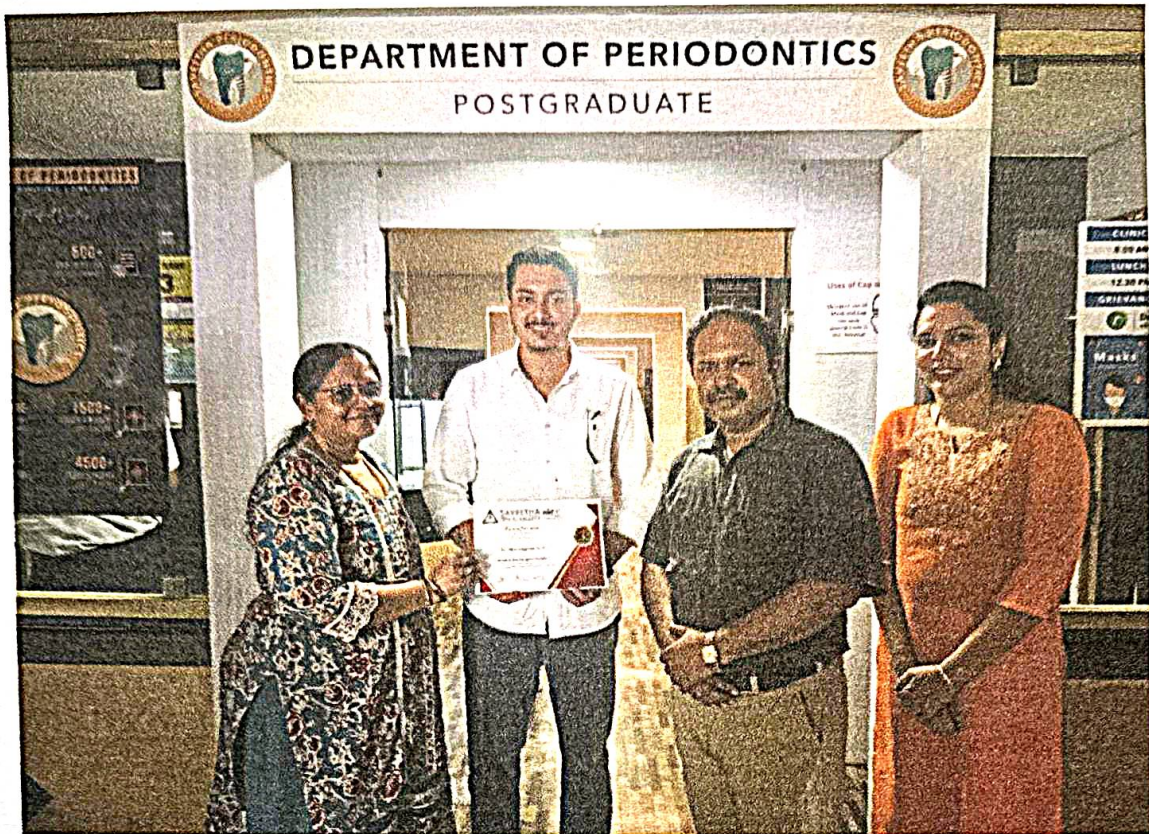

The program proved to be a highly enriching and rewarding experience for the students, allowing them to interact with experts, enhance their clinical knowledge, and gain insights into the latest developments in Periodontology. Such academic collaborations continue to foster learning, innovation, and professional growth among postgraduate students.

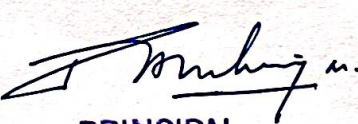

Excellent activity!
Please put up on website (Dr. Vinit Swami) and on VMEdulite (ERP).
