

**BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)
HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL
PUNE-SATARA ROAD, PUNE 411043**

**8th NATIONAL RESEARCH CONCLAVE 2026 –
'BEYOND BOUNDARIES: AN INTEGRATED APPROACH TO HEALTHCARE'**

- Theme: **Integrative Approach in Diabetes Mellitus**
- Organized by: The Post-Graduate Department of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College, Pune & National Journal of Homoeopathy (NJH)
- Venue: Sushruta Auditorium, Bharati Vidyapeeth (DU) Medical College, Pune - 411043
- Day & Date: Thursday, 03rd September 2026
- Time: 8:00 am to 6:00 pm

OBJECTIVES OF THE SEMINAR:

- To promote an **integrative and multidisciplinary approach** towards diabetes mellitus and its management.
- To facilitate interaction between **Homoeopathy, Modern Medicine, Ayurveda and Unani** systems of healthcare.
- To provide students, postgraduate scholars, faculty and practitioners with exposure to **evidence-informed clinical approaches** in diabetes management.
- To encourage **research, scientific presentations and academic exchange** among healthcare professionals.
- To enhance understanding of comprehensive patient care through **clinical lectures, panel discussion and case-based learning**.
- To provide a platform for young researchers and scholars to present and discuss their scientific work.

HIGHLIGHTS OF THE EVENT:

The conclave featured:

- Scientific sessions by eminent experts in diabetes and Homoeopathy.
- An **Integrative Multi-Disciplinary Panel Discussion on T2DM Care**.
- Scientific Paper Presentation.
- Poster Presentation Competition.
- Case Discussion.
- Prize Distribution and Valedictory Function.

INAUGURATION CEREMONY

The ceremony provided a formal platform to welcome the distinguished dignitaries, invited guests, faculty members, researchers, delegates and students and to mark the commencement of the National Research Conclave 2026.

Chairperson:

Hon'ble Vijaymalaji Patangraoji Kadam (Vahinisaheb)
Chairperson, School Committee, Bharati Vidyapeeth

Chief Guest:**Hon'ble Dr. Mangesh R. Jatkari**

In-charge Secretary, NCH, New Delhi

President, MARBH, National Commission for Homoeopathy

Guests of Honour:**Hon'ble Dr. Asmita Jagtap**

Executive Director, Bharati Vidyapeeth Office of Health Sciences

Hon'ble Dr. Vivek Saoji

Vice-chancellor, Bharati Vidyapeeth (Deemed to be University)

Vishishth Atithi:**Dr. Rajkumar Patil**

Dean, Maharashtra University of Health Sciences, Nashik

SCIENTIFIC SESSIONS**1. Dr. Ali Shah N. F.**

The scientific session by Dr. Ali Shah focused on diabetes mellitus from a Homoeopathic clinical perspective. His extensive clinical experience in diabetes management provided valuable insights into the role of individualized Homoeopathic care in patients with metabolic disorders.

2. INTEGRATIVE MULTI-DISCIPLINARY PANEL DISCUSSION**Topic: Integrative Multi-Disciplinary T2DM Care**

The panel discussion brought together experts representing different systems of medicine, providing a platform for interdisciplinary dialogue on Type 2 Diabetes Mellitus.

The panel included:

- **Dr. Jagannath V. Dixit** – Renowned Diabetologist
- **Dr. Shilpa Sule** – Modern Medicine
- **Dr. Sanjay Dhurve** – Ayurveda
- **Dr. Ghazala Mulla** – Unani
- **Dr. Krishnakumar Dinde** – Senior Homoeopathic Diabetologist & Oncologist
- **Dr. Ali-Shah N. F.** – Homoeopathic Diabetologist

The discussion highlighted the importance of a comprehensive, patient-centred and multidisciplinary approach to diabetes care.

3. Dr. Jagannath V. Dixit

Dr. Jagannath V. Dixit, an eminent expert with extensive experience in health education and diabetes awareness, delivered a scientific session on diabetes mellitus. His expertise and long-standing contribution to public health and diabetes awareness added significant academic value to the conclave.

ADDRESS BY HON'BLE I/C SECRETARY NCH:

Dr. Mangesh R. Jatkari, President, MARBH and In-charge Secretary, NCH, delivered an informative lecture on the National Commission for Homoeopathy (NCH) and its guidelines for Homoeopathic

education and practice. He highlighted the important regulatory provisions, standards and guidelines laid down by the NCH, with emphasis on their implementation by Homoeopathic institutions. He also discussed the role of the Commission in maintaining quality standards, ensuring academic and professional development, and strengthening the overall system of Homoeopathic education in the country. The session provided valuable guidance to faculty members, PG scholars and students regarding the current regulatory framework and the importance of adhering to NCH guidelines.

The conclave also provided a platform for researchers and postgraduate scholars to present their scientific work through **Scientific Paper Presentation and Poster Presentation**.

The research-oriented activities encouraged academic exchange, critical discussion and dissemination of contemporary research among participants.

SCHEDULE OF THE EVENTS

B. Award of Excellence

- PG of the Year: Dr. Sai Satish
- Exemplary Service: Dr. Arvind Mahajan
- Satellite OPD Interns: Shounak Parkhi, Prathana Nagare, Bhargavi Deshmukh, Aditya Gavandhare, Preya Shah, Vinay Kathale, Mahesh Shinde, Atharva Shinde, Prachi Mahajan, Aqsa Aiman

- Highest OPD Patients: Dr. Sheetal A. Patil
- Highest IPD Patients: Dr. Swati R. Shinde

BENEFICIARIES

The National Research Conclave 2026 provided an academic platform for:

- Homoeopathic practitioners
- Medical practitioners
- Faculty members
- Postgraduate scholars
- Undergraduate students
- Researchers
- Delegates and healthcare professionals

A total of **177 participants registered for the Research Conclave**, with **52 participants presenting paper presentations**. The conclave facilitated interdisciplinary interaction and provided participants with opportunities to gain knowledge from eminent experts in diabetes management and integrated healthcare.

CONCLUSION

The **National Research Conclave 2026 – “Beyond Boundaries: An Integrated Approach to Healthcare”**, with its focus on **“Integrative Approach in Diabetes Mellitus,”** was a significant academic initiative aimed at promoting interdisciplinary learning, research orientation and collaborative healthcare practices.

The scientific sessions, multidisciplinary panel discussion, case discussion and research presentations provided participants with diverse perspectives on diabetes mellitus and its management. The participation of experts from different disciplines reinforced the importance of dialogue and collaboration in addressing complex and chronic health conditions.

The conclave successfully provided a platform for **knowledge exchange, professional interaction, research dissemination and academic enrichment**, contributing towards the broader vision of integrated and patient-centred healthcare.
