REPORT WITH PHOTOGRAPHS

Bharati Vidyapeeth (Deemed to be University), College of Nursing, Sangli, in collaboration with the Quality Assurance Management, Bharati Hospital, Sangli, celebrated Patient Safety Week on 16th and 17th September with the theme "*Safe Care for Non-Communicable Diseases.*"

The programme aimed to create awareness among nursing students regarding the importance of patient safety, quality healthcare practices, and safe management of patients suffering from non-communicable diseases.

Day 1 – Quiz Competition

On 16th September, a Quiz Competition was organized for the nursing students. A total of 20 students participated in the competition, comprising 15 M.Sc. Nursing students and 5 B.Sc. Nursing students.

The quiz focused on patient safety, quality healthcare, and aspects related to the safe care and management of patients with non-communicable diseases. The students participated enthusiastically and demonstrated their knowledge and interest in the subject.

The Quiz Competition was judged by:

- Dr. Kumbhar, Professor & Head, Department of Paediatrics, Bharati Hospital, Sangli
- Mrs. Swati Kurane, Assistant Lecturer, BV DU, College of Nursing, Sangli

Day 2 – Poster and Slogan Competition

On 17th September, a Poster and Slogan Competition was organized based on the theme "*Safe Care for Non-Communicable Diseases.*" The activity provided students with an opportunity to creatively express their understanding of patient safety and the importance of preventing errors and promoting quality care in the management of non-communicable diseases.

The students displayed their creativity and awareness through informative posters and meaningful slogans. The activity witnessed enthusiastic participation from the students.

The competition was judged by:

- Dr. Ashitosh Srivastav, Deputy Medical Superintendent, Bharati Hospital, Sangli
- Dr. Sunil Patil, Professor, Department of Orthopaedics, Bharati Hospital, Sangli
- Dr. Awalekar, Professor, Department of Medicine, Bharati Hospital, Sangli

Conclusion

The two-day celebration of Patient Safety Week was conducted successfully with active and enthusiastic participation from the nursing students. The activities provided an engaging

platform for students to enhance their knowledge, creativity, and awareness regarding patient safety, particularly in relation to non-communicable diseases.

The collaboration between BVDU College of Nursing, Sangli and Quality Assurance Management, Bharati Hospital, Sangli contributed to making the programme informative and meaningful. The initiative reinforced the importance of providing safe, effective, and quality care to patients and highlighted the significant role of nurses in promoting patient safety in healthcare settings.

Overall, the celebration was a valuable learning experience for the students and successfully promoted the message of safe care for patients with non-communicable diseases.
