ALUMNI LECTURE (WEBINAR)
CELEBRATION OF 36TH FOUNDATION DAY

Topic: Compositae Family

Guest Speaker: Alumni Dr. Gaurav Nagar

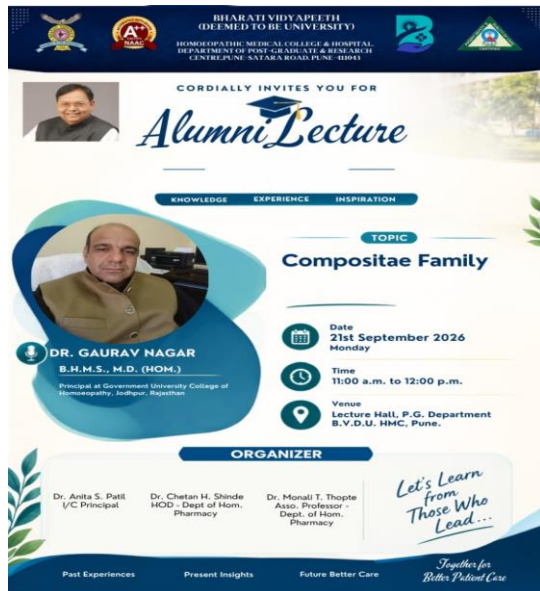

Day Date Time: Monday, 21st September 2026, 11:00 a.m. to 12:00 p.m.

Organizer: Department of Hom. Pharmacy (P.G.)

Venue: Lecture Hall, P.G. Department B.V.D.U. HMC, Pune.

Beneficiaries: Under graduate students 2nd B.H.M.S. 87

The session commenced with **Dr M. T. Thopte** welcoming the participants and introducing the guest speaker, **Dr Gaurav Nagar**. The **Prof. Dr. C.H. Shinde** addressed the gathering and shared a few important points regarding the speaker and the **Dr Gaurav Nagar** delivered an informative lecture on the **Compositae (Asteraceae) family**, highlighting its important botanical characteristics and significance. The lecture covered various aspects of the family, including its **general characteristics, floral structure, inflorescence, and economic importance**. The speaker also discussed examples of common plants belonging to the Compositae family, which helped students relate the theoretical concepts to familiar plant species. The session provided students with a better understanding of the **identification, classification, and significance of the Compositae family**. Overall, the lecture was informative, engaging, and beneficial in enhancing the students' knowledge of plant taxonomy and morphology.
