

A PLEDGE FOR A HEALTHIER TOMORROW

ORGANIZED BY NSS

A PLEDGE FOR A HEALTHIER TOMORROW

As part of the Nasha Mukta Bharat Abhiyaan, the students and members of Bharati Vidyapeeth (Deemed to be University), Department of Management Studies, Navi Mumbai came together to take a meaningful oath against substance abuse.

The pledge was more than just words—it was a commitment to choose awareness over addiction, responsibility over influence, and a healthier future over harmful habits. Students pledged to keep themselves, their families, friends and community free from the menace of drugs and to encourage others to make the same choice.

The message was simple:

Change begins with us. One responsible choice can inspire many more.

Together for a Drug-Free India.

Bharati Vidyapeeth DMS – जागरूक युवा, स्वस्थ समाज, नशा मुक्त भारत।
