The championship was organized in collaboration with Lokmat and held at Appasaheb Birmale Public School, Sangli. The primary aim of the physiotherapy service was to provide immediate on-mat injury assessment, manage acute musculoskeletal trauma common in combat sports (such as sprains, strains, contusions, and joint hyperextensions), and deliver post-bout recovery and stretching protocols to the athletes.

A team of 15 BPTth students, under the supervision and guidance of 1 faculty member, actively managed and delivered sports physiotherapy care to 90 judo competitors throughout the tournament. The tournament organizers expressed their gratitude to the institution for providing essential medical support and ensuring athlete safety across all bouts.

The coordinators for the event were Dr. Shraddha Shelar (Assistant Professor, BVDU SOP, Sangli). The event was successful under the guidance of Dr. Sneha Katke (Principal, BVDU SOP, Sangli).
