DEPARTMENT OF PERIODONTOLOGY

Glad to share that my 1st year postgraduate student, Dr. Sukanya I. Kashyap, Department of Periodontology, has been selected for the prestigious ISP MDS Dissertation Research Grant 2026 (Dental Implants Theme) of **1,40,000/-** (as approximate cost of hardware by PIVOT implant company) from Indian Society of Periodontology. This is a proud moment for our department and a testament to her sincere efforts and scientific aptitude. Heartiest congratulations and best wishes for the successful completion of her research.
