Date: 22 October 2026 , **Time :** 2.00 pm – 4.00 pm
Venue: Library, Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College & Hospital, Pune.

Gist of the Event

The Department of Human Physiology & Biochemistry successfully organized PHYSIONOVA 2026**,** an exhibition of innovative working models prepared by students to demonstrate various physiological concepts. Students participated enthusiastically and showcased scientific creativity, innovation, and practical understanding of physiology through interactive model presentations. The event was inaugurated in the presence of Dr. Anita Patil mam (I/C Principal)and was judged by Dr. Nilofer Shaikh. (Academic Incharge). The exhibition provided an enriching learning experience and was highly appreciated for promoting scientific temperament, teamwork, presentation skills, and innovation among students. Certificates were awarded to the 1st, 2nd, 3rd, and Consolation Prize winners**,** while all participants received certificates of participation.
