The interdisciplinary meet was organized by Department of Conservative Dentistry and Endodontics and Department of Periodontology at Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Sangli on 24th August, 2023. The case was presented in the presence of the heads of the respective departments from Department of Conservative Dentistry and Endodontics and Department of Periodontology of Bharati Vidyapeeth (Deemed to be University) Dental College and hospital, Sangli, along with staff members and post graduate students of Conservative Dentistry and Periodontology.

As the part of this program, Dr. Harshata Tirtalli introduced the topic. Dr. Saumya Shankar presented the case history of the patient. Further, the clinical findings, radiographic findings, diagnosis, treatment and the approach they opted for performing the case was presented by the presenters.

This interdisciplinary meet was held to discuss a case which was done by the two Departments (Department of Conservative Dentistry and Endodontics and Department of Periodontology). The purpose of this meet was to discuss various treatment modalities, treatment planning and work collaboratively for better treatment outcome.

The vote of thanks was given by Dr. Sharad Kamat, Principal, Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Sangli.
