Activity Details –

A Presentation was held under the aegis of Faculty Clinical Meet on 16th October 2023. The Programme started by welcoming Principal sir, all the faculty members and Interns of Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Sangli. Topic of the presentation was “Gray areas of Maxillofacial Radiology”. Presentation mainly emphasised on the limitations of the maxillofacial radiographs posing difficulty in getting diagnostic details and also discussed on the strategies to overcome these limitations. It was well attended by all the head of departments, faculty members and Interns of our Dental College.

Presentations of such kind will provide a greater paradigm in Diagnosis and Treatment planning for faculties to improvise diagnosis and treatment approaches as well as interdisciplinary collaborations that will enhance the quality of continuing dental education and research.

The programme concluded with vote of thanks followed by tea for everyone.

Dr Shridevi Adaki
Associate Professor
Dept. of OMDR

Dr. Sharad Kamat
Principal
BV (DU) DCH, Sangli
