The Programme started by welcoming the guest speaker, Dr. Kamala, Professor and Head of the Department, Department of Oral Medicine and Radiology, KIMS Deemed to be university, School of Dental Sciences, Karad and Dr. Sharad Kamat, Principal, Bharati Vidyapeeth (Deemed to Be University) Dental College and Hospital, Sangli by Dr. Samruddhi Metha.

Topic of the live webinar was “Application of CBCT in Dentistry”. Presentation mainly emphasised on the application of CBCT in all the specialities of dentistry and the way CBCT is going to play role in giving 3D information helpful for diagnosis and treatment planning.

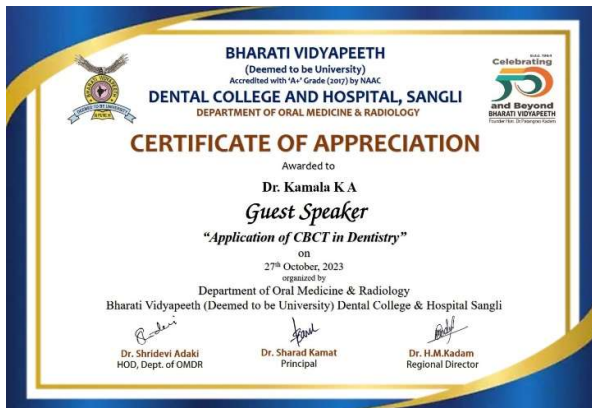

It was well attended by all the head of departments and faculty members, post graduates and Interns of our Dental College. Presentations of such kind will provide a greater paradigm in Diagnosis and Treatment planning for faculties to improvise diagnosis and treatment approaches as well as interdisciplinary collaborations that will enhance the quality of continuing dental education and research. The session ended with questionnaire and a token of appreciation as Certificate to the guest speaker.

The programme concluded with vote of thanks by Ms. Rajashri Patil, Intern followed by tea for everyone.
