

BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)

Homoeopathic Medical College & Hospital

Katraj- Dhankawadi, Pune 411043

5th “National Level Post Graduate Homoeopathic Research Conclave 2023” (Online)

- **Organized by:** The Post-Graduate Department of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College, Pune.
- **Venue:** Online through Microsoft Teams
- **Date:** 30th October and 31st October 2023
- **Time:** 10:00 am to 05:00 pm

Objectives of the Conclave:

- Ancestral intelligence preserves and shares tradition, values and practices and enables human survival and adaptation to various environments.
- To spread awareness about the application of Artificial Intelligence in field of Homoeopathy through the various enlightening lectures delivered by renowned persons.
- To improve the healthcare outcomes through the application of AI techniques, which helps in improving patient care reducing cost and advancing our understanding of disease and treatments.
- To boost Ph.D. Scholars, Postgraduate and Undergraduate regarding the importance of Artificial Intelligence and make them aware about the scope of Artificial Intelligence in different areas of Homoeopathy.

Theme For Research Conclave:

“ANCESTRAL INTELLIGENCE Vs ARTIFICIAL INTELLIGENCE”

Highlights of The Conclave:

The Chief Guest for the Conclave was:

Hon’ble Shri. Vikas Kharge IAS,
Principal Secretary to the Chief Minister,
Govt. of Maharashtra.

Guest of Honour

Hon’ble Dr. Mangesh Jatkar
Member, Homoeopathy Education Board (NCH),
New Delhi

Conclave was also graced by

Hon’ble Prof. Dr. Vivek Saoji
Vice-Chancellor,
Bharati Vidyapeeth (Deemed to be University), Pune.

● WORDS OF ENLIGHTENMENT:

1. **Hon’ble Shri. Vikas Kharge IAS:**

The research conclave started with the empowering and enlightening words by Hon’ble Shri. Vikas Kharge. He imbibed in us the knowledge of interrelation and co-dependence of Ancestral Intelligence and Artificial Intelligence for much rewarding benefits in our healthcare system. He clearly stated that Artificial Intelligence relates to the fundamental and basic understanding of the subject in addition to experiences, wisdom and tradition of the field of practice. Dr. Vikas Kharge Sir concluded his speech stating that Artificial Intelligence though has the potential of changing

lives but it also has its own limitations without the help of Ancestral Intelligence.

2. **Hon'ble Dr. Mangesh Jatkar:**

After the wonderful introductory speech of Vikas Kharge Sir on the topic of AI vs AI, we now have our chief guest of honour Dr. Mangesh Jatkar Sir to shed light on the very topic. He focused on the interdisciplinary collaboration of Artificial Intelligence and homoeopathy which combines the strength of modern technology and traditional medicines. He emphasized how Artificial Intelligence detects the patterns/trends in patient management system in addition to its data analytical and statistical significance. He concluded his speech with the vision of achieving great heights in the field of healthcare by the combination of indigenous wisdom and modern technology in unparalleled ways.

3. **Hon'ble Prof. Dr. Vivek Saoji:**

The research conclave 2023 was graced by our very own Prof. Dr. Vivek Saoji Sir who in his speech emphasised on his vision regarding the importance of Artificial Intelligence & Ancestral Intelligence and their distinctive points of significance. He focused on how Artificial Intelligence has the power of data capturing mechanism which helps us to predict, diagnose and suggest treatment methodologies whereas Ancestral Intelligence is equipped with the significant factors of power of touch, emotions, feelings, power healing, empathy and communication. He concluded his speech by saying how a blend between these two is necessary for obtaining overall well being of patients.

Detail of the Day 1 Event:

The lecturers for the conclave Day 1:

1. **Smt. L Ramadevi,**

The lecture by Smt. L Ramadevi on the topic "AI unleashed: Pioneering Innovation in Every Sector" started just after the inauguration ceremony. She began her lecture by focusing on the need of AI and block chain technology in the government sector. She also emphasized how AI has played an important role in everyone's day to day life. She concluded her lecture on the believe that how technology has transformed the lives of people living in Telangana.

2. **Dr. Jay Shah,**

After a motivating lecture by Smt L Ramadevi now we will have a lecture by Dr. Jay Nilesh Shah who will enlighten us on the topic "Safer Health Smarter Care: AI, Block Chain and security strategies". Dr. Jay emphasised on blockchain technology; it's need, features, challenges, ethical implications, benefits and future of AI in the field of healthcare. In his lecture he also discussed about a case of diabetes and hypertension in which he focused on how the lack coordination from the patients side led to the adverse events and how this can be overcome by the potential use of blockchain technology. He concluded his lecture by stating the importance of the relationship between AI and blockchain technology in the field of healthcare and how it can be used to improve the patient care coordination and hence reducing medical errors.

Detail of the Day 2 Event:

The Lecturers for the Conclave Day 2:

1. **Prof. Dr. Sachin Kadam.**

Day 2 of conclave event started on a fresh and enlightening note by the lecture of Dr. Sachin Kadam Sir on the Topic "Introduction to AI for Healthcare Professionals". In his lecture he addressed the introductory part by emphasizing on the Three Laws of Robotics followed by an explanation on the philosophical perspective as well as it's practical perspective. He further provided a vision regarding the significance of AI in the field of case study and the probable possibilities of its uses. He also elaborated on the various AI techniques and the ways to deal with them. As a conclusion part he explained that AI system will give us some output and there is a need to interpret this output in the context of our medical queries.

2. **Prof. Dr. Mansoor Ali.**

After a very refreshing and enthusiastic lecture by Dr. Sachin Kadam Sir we will now proceed for

the lecture of Dr. Mansoor Ali Sir on the topic “Homoeopathy 2.0 Melding Hahnemannian Intelligence with Artificial Intelligence”. He started his lecture on how homoeopathy came into existence. Further he talked about his topic, how Homoeopathy 2.0 combines Hahnemann’s understanding of human physiology and individualized symptomatology with the aid of AI, offering practitioners with more precise and effective treatment. Also enhancing and supporting the researchers for precise results. He concluded his lecture stating as to how one should be cautious as AI raises issues of data privacy and security.

DAY 1 ANNEXURE:

Sr.no	TIME	SPEAKER	DESIGNATION	EVENT
1.	9:55 am – 10:00 am	Dr. Simran Samdani	PG Scholar	Inaugural anchoring
2.	10:00 am – 10:05 am	Prof Dr Avinash R Mhetre	I/C Principal and Superintendent BVDUHMC, Pune	Welcome Speech
3.	10:05 am – 10:10 am		Esteemed Dignitaries	Lamp Lightning
4.	10:10 am – 10:15am	Prof Dr Anita Patil	Dean Faculty of Homoeopathy BVDTU and Program Convener	Introduction of Research Conclave
5.	10:15 am – 10:25 am	Hon’ble Dr Vivek Saoji	Hon’ble Vice Chancellor, BVDTU, Pune	Addressing the conclave
6.	10:25 am – 10:35 am	Hon’ble Dr Mangesh Jatkar,	Guest of Honor Member of Homoeopathy Education Board National Commission of Homoeopathy, New Delhi	Addressing the conclave
7.	10:35 am – 10:45 am	Hon’ble Sri Vikas Kharge IAS,	Chief Guest Principal Secretary to the Chief Minister Govt. of Maharashtra	Referring the conclave
8.	10:55 am – 11:00 am	Dr Varsha Ghate	Assistant Professor Dept. of Homoeopathic Pharmacy	Vote of Thanks

Research conclave 2023 Day 1 on Friday 30th October 2023

Anchor- Dr Simran Samdani

Dr Kavitha Nambiar

Dr Jatin Singh Chouhan

S. No	Time	Topic	Speaker
1.	10:00 am – 11:00 am	Inaugural Ceremony	
2.	11: 00 am – 12:00 pm	AI unleashed: Pioneering Innovation in Every Sector	Smt L Ramadevi M.Sc., Ph.D., Director, Emerging Technologies, Govt. of Telangana, India
3.	12:00 pm – 1:00 pm	Safer Health Smarter Care: AI, Block Chain and security strategies	Dr. Jay Shah, Ph.D. Scholar, MD (Hom.) Physician Bhakti Group of Homoeopath Dispensary
4.	01:00 pm - 5:00 pm	Poster Presentation competition on Evidence Based Medicine in Homoeopathy	Participants

DAY 2 ANNEXURE:

Research conclave 2023 Day 2 on Friday 31st October 2023

Anchor- Dr Ruchita Jerath and Dr Jatin Singh Chouhan

S. No	Time	Topic	Speaker
1.	10: 00 am – 11:00 pm	Introduction to AI For Health care Professionals	Hon’ble Prof. Dr. Sachin Kadam, PhD., CA, B.Tech. CISA, LA ISO27001, CCNA, CEH, PGCCL, PGDES Director- ICT, & Head Ph.D. Section BV (DTU)
2.	11:00 pm – 12:00 pm	Homoeopathy 2.0 Melding Hahnemannian Intelligence with Artificial Intelligence	Hon’ble Dr. Mansoor Ali, BHMS, MD. Professor, Govt. HMC Approved Practitioner, Ministry of Health, UAE
3.	01:00 pm - 05:00 pm	Poster Presentation competition on Evidence Based Medicine in Homoeopathy	Participants

BENEFICIARIES:

The conclave was attended by over 850 attendees from various colleges and institutions all over India from different states like Andhra Pradesh, Bihar, Delhi, Gujarat, Haryana, Karnataka, Kerala, Madhya Pradesh, Rajasthan, Telangana, Uttar Pradesh, West Bengal, Tamil Nadu and Maharashtra. Total 47 enthusiastic participants have presented for the e- poster competition.

CONCLUSION:

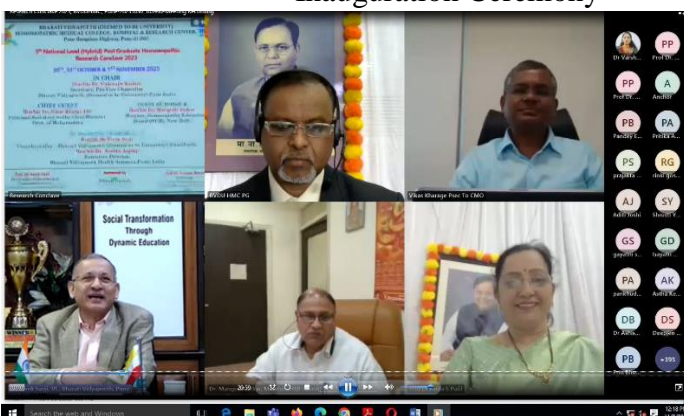

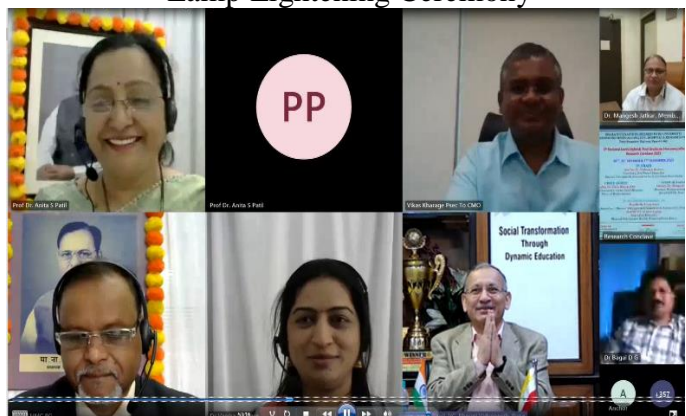

This has been proved to be an excellent platform for exchange of innovative research ideas. The event also saw an overall positive feedback from the participants and the attendees with very positive and enthusiastic remarks and with an eagerness for similar events in the future.
