The Department of Periodontology celebrated “**World Diabetes Day**” on 14th November 2022 rescheduled on 8th November because of Diwali vacation. World Diabetes Day was inaugurated by respected Principal **Dr. Sharad Kamat sir**, Guest speaker Diabetologist **Dr. Raghunath Kulkarni** Bharati Vidyapeeth (Deemed to be University) Medical College & Hospital, Sangli

The program was conducted by all the staff members of the Department of Periodontology. Dr. Sachin Mangalekar, Dr. Pallavi Kamble, Dr. Nitin Gorwade, Dr. Jeeth Rai, Dr. Priyanka Lavate, and Dr. Shashank Vijapure were present for the programme.

As a part of this celebration, Guest lecture was delivered by Dr. Raghunath Kulkarni Intern Student Dr. Akanksha Jadhav and Dr. Neha addressed the audience and explained about the Diabetes and Periodontal Disease: A 2-way relationship. Guest speaker Dr. Raghunath Kulkarni sir Principal Dr. Sharad Kamat sir, Dr. Sachin Mangalekar Sir and all the HODs post graduate students, interns and final year BDS students were present during the inauguration ceremony.

**Distribution of free samples of Colgate toothpaste to patients
WORLD DIABETES DAY – 2023**

Speaker **Dr. Raghunath Kulkarni sir** enlightened everyone about the prediabetes and diabetic signs and symptoms, complications and preventive measures. Free samples of toothpaste were distributed to the patients in order to encourage them to maintain proper oral hygiene and in turn, live a disease-free life.

As a part of this celebration, various programs such as free Random blood sugar which was performed by auxiliary staff, free dental check-up with free scaling was performed by interns students, hygienist and post graduate students. In the spirit of the day and the goal to create healthy smiles, in healthy and diabetic patients, two post-graduate students and four interns were appointed specially to motivate each patient to maintain their oral hygiene and demonstrate proper brushing techniques to all patients in the OPD.

The Department of periodontology is very grateful to Dr. Dilip Magdum sir (Department of Oral Pathology and Microbiology) for providing support in evaluating Random blood sugar level.

The total number of OPDs-is 70, the Total number of oral prophylaxis done is 60, and free RBS done in 08 patients.
