Report

on Women's day Program

BharatiVidyapeeth (Deemed to be University) College of Engineering, Dhanakwadi, Pune has established "Women's cell" to empower girl students, lady staff (teaching and non-teaching) and enable them to address the issues related to the welfare of women and creating awareness about their rights and duties. It also aims to provide a platform for them to express their views and share their experiences.

The international Women's day is celebrated on 8th of March globally. This day is for celebrating the love and honour for women hood. It also makes a call to the action for accelerating gender parity as well as the safety and wellbeing of women. Keeping these points in mind to celebrate the international Women's day, Women's cell BVUCOEP, organised a Seminar on Compression Only Life Support (COLS) conducted by Department of Anaesthesia, Bharati Hospital on behalf of Society of Anaesthesiologist, Pune (SAP). The program was conducted on 10th March 2023 in the presence of honourable principal Dr. Vidula Sohoni and Vice Principal Dr. Sunita Jadhav. Dr. Varshali Keniya (Prof. and Head Dept. of Anaesthesia), Dr. Sarita Swami (Prof. Dept. of Anaesthesia & President SAP), Dr. Kalyani Patil (Prof. Dept. of Anaesthesia & Secretary SAP), Dr. Shweta Konnur (Associate Prof. Dept. of Anaesthesia & Joint Secretary SAP), Dr. Neha Modani (Asst. Prof. Dept. of Anaesthesia) conducted the session for girl students and lady staff. Live demonstrations and hands on training was given on COLS. Over all the seminar gave awareness and training on how to provide lifesaving compressions to patients in the critical stage.

After the seminar, honourable Principal Mam, inaugurated the sanitary napkin vending machine installed for the girl students at the E&TC Dept. of BVUCOEP. Three vending machines are installed at the three wings of the college.
