

Report On Lila Poonawala Foundation Scholarship (LPF) 2023-24

The Lila Poonawala Foundation (LPF) is a 25-year old seasoned non-profit organization working in the field of girl child education with the Mission of women Empowerment through merit-cum-need based Scholarships and Skill Building. Eligible girls go through rigorous application process, written assessment and personal interview in the presence of their parents/ guardians conducted by the selection committee. Post selection, they are awarded scholarship in an award function, witnessed by one of their parent. Followed to this they are oriented through an orientation program. With 'Beyond Scholarships', LPF focuses on equipping the girls with the current and relevant essential skills, professional skills, corporate and industry ready Skills. Through 'Beyond Scholarships' LPF trains them to build the skills, which helps them in being employment ready.
