Following points were discussed and action taken

To organize CDE programme

It was decided by committee that each department should organize one CDE programmes in the academic year. The programs should be based on research, soft skill development and advanced dentistry. It was also decided to organize programme for nonteaching staff, peons as well as daily wage workers regarding awareness of oral hygiene.

Dental mobile van facility

It was decided to organize dental camps in rural and remote areas and provide treatment facilities to the people via mobile dental van.

Linkages and MOUs

From the current year dental facilities such as crowns, removable partial and complete dentures will also be provided at the Lavale centre and one staff and one postgraduate student from Prosthodontics department will be posted there on routine basis.

The Oral Surgery Department has tie up with Manavata Cancer Centre Nasik Maharashtra as well as Mazumdar Shaw Cancer Centre Bangalore, Karnataka and postgraduate students of oral surgery will be posted there for month on regular basis.

Online Dissertation Submission of postgraduate students

Our University has always taken considerable steps and initiated sustainable strategies in order to have a Green Impact and using the current trends of digital world. In lieu of this, our University has initiated the submission of Post Graduate Dissertations through the Dissertation Submission System (DSS) Portal this academic year.

The PG Dissertations are submitted by the institute through online mode and these will be sent by the University as encrypted documents by emails to approved examiners. The examiners will receive an OTP on their registered phone number which will be required to open the encrypted document for further evaluation.
