From the Principal's Pen

My Dear Alumni,

Greetings to all,

It gives me immense pleasure to introduce before you the Ninth issue of PCPians' Bulletin.

Bharati Vidyapeeth's Poona College of Pharmacy, was established in 1981 by Hon'ble Dr. Patangrao Kadam, Founder of Bharati Vidyapeeth. This was the first ever college imparting Pharmacy education within the jurisdiction of Pune University. Dr. Patangrao Kadam cherished a dream of making this college a throbbing centre of excellent pharmacy education and research. Under his guidance, we did our best to fulfill the dream of our founder. Since 1981, 'A Pioneer in pharmacy education' was affiliated to the University of Pune. In July 2000, Bharati Vidyapeeth Deemed University was incorporated under it as a constituent unit. This step of merging-in, Bharati Vidyapeeth Deemed University, was particularly motivated because of the academic autonomy, established by the college.

Our college offers B.Pharm., M.Pharm. and Ph.D. in all specializations of Pharmacy and is an approved college from both AICTE and Pharmacy Council of India, New Delhi.

Based on the infrastructure, facilities and faculty of the college both National Accreditation Bodies viz. NBA and NAAC have awarded the most coveted "A GRADE" to our college. Our college is now recognized as Nodal (national) centre for QIP, programme in pharmacy of AICTE and has an AICTE approved Industry Institute Partnership Cell running in the college. The college is also an ISO-9001-2008 Certified Institute. Recently, our college started the Doctor of Pharmacy (Pharm. D.) programme from 2009-10. Our college is the first and only college in Maharashtra State approved by PCI to conduct Pharm.D. (Six years after 12th Sci/ D.Pharm.) and Pharm.D. Post Baccalaureate (three years after B.Pharm.). I am glad to let you know that our college has been ranked 22nd among all the Pharmacy colleges of India by National Institute Ranking Framework (NIRF), MoE, New Delhi.

I believe that this success is due to the teaching and non teaching staff, students, alumni and parents. I hope for a similar cooperation from the alumni in the coming future.

We are trying to reconnect with you all through different initiatives such as 'PCP alumni Connect' under which we have created a google form and have started collecting current location of alumni. Moreover in order to strengthen the bond between current students and alumni we have started as initiative as 'Know Our PCPian (KoP)' under which current students of our college will call you and take your interview which will be posted on social platforms of the institute. Guidance and advice given by alumni in KoP will help current students to mould accordingly to cater the need of pharmacy field. We have received nice response for this activity.

You can write me personally on my email address (atmaram.pawar@bharativedyapeeth.edu) or on associations email address (pcpalumni@gmail.com) . I invite all the alumni visiting Pune, to schedule a visit to our college and interact with the students.

With best regards,

Yours Truly,
Dr. Atmaram Pawar,
Principal, Poona College of Pharmacy
Bharati Vidyapeeth Deemed University

Editor's Word

Dear Alumni,

*I am glad to present before you the Nineth issue of PCPians' Bulletin covering the latest happenings in our college along with the achievements and awards that our alumni have gained in the past few years. I really appreciate the response given to our emails asking for either your own developments or supporting the college in various accreditation processes. In order to make it easy for each alumnus to communicate his/her achievements, we have created a group on Facebook as **'Poona College of Pharmacy Alumni Association 2010'**. Our association alongwith the college have started many initiatives such as asking alumni to deliver guest lectures, chief panelists at the conferences, know our PCPian activity wherein alumni can share their achievements with current students and also guide them to excel in academics and later on in jobs*

Your suggestions to strengthen our Alumni Association are always welcomed. I request you to remain in touch and keep us updated about your achievements/developments in all the aspects which we can convey to our alumni through bulletin. I appreciate the efforts taken by the editorial committee members for bringing out this Seventh issue of bulletin.

With best regards,

Yours Truly,

Dr. Sharvil Patil
