## Introduction

Bharati Vidyapeeth (Deemed to be University), being one of the largest networks of educational institutions, established the full-fledged Degree College of Nursing in Navi Mumbai since 2009. It offers a four year Course leading to the B.Sc.

Nursing Degree and two year P.B.BSc. nursing and M.Sc. Nursing course and is approved by Indian Nursing Council and Maharashtra Nursing Council. We are also accredited with prestigious 'A' grade in 2011 and reaccredited with 'A+' grade in 2017 by the NAAC Bengaluru. We started this college with the objectives of training the students to become competent nurses for first level positions in nursing, to provide quality care in hospitals and to community. The College has become the most preferred destination of students aspiring for a career in nursing from all over India.

## Aim & objectives of the conference

**Aim:** To endorse emerging trend towards individualized and flexible digital teaching.

### Objectives:

- To delineate pedagogical considerations in e-content.
- To equip participants on development of creative e-content.
- To augment digital content creation using online platforms.
