I, Omkar Mane, a third-year BSc Nursing student from Bharati Vidyapeeth College of Nursing, Pune, am thrilled to announce that I have been chosen to represent Bharati Vidyapeeth (Deemed to be) University at the State Republic Day Parade, scheduled to take place in Mumbai from January 16th, 2024, to January 26th, 2024.

For the duration of this event, I will be staying at Mumbai University, Santacruz, Mumbai. This prestigious parade, organized by NSS cell, Higher and technical education department government of Maharashtra and national service scheme will feature the talents and dedication of a group of 90 students, all of whom come from Maharashtra and various universities across the state. The participant ensemble is evenly divided between 45 boys and 45 girls.

Our daily routine unfolds from 6 am to 7 pm. The parade itself is a morning affair, taking place from 6 am to 12 pm at Shivaji Park, Dadar, providing a unique opportunity for us to showcase our commitment and patriotism. Following the parade, the afternoon schedule involves a break for lunch and other engagements from 1 pm to 3 pm. Post this, the parade practice resumes from 3 pm to 7 pm. Subsequently, from 7 pm to 8 pm, we engage in other activities, and from 8 pm to 9 pm, dinner is scheduled. This comprehensive timetable encapsulates the daily routine of the parade camp.

This event not only allows us to celebrate Republic Day but also provides a platform for forging lasting connections with fellow participants from diverse backgrounds. We are enthusiastic about contributing to the grandeur of the parade, highlighting the unity and diversity that defines our great state.

I eagerly anticipate the valuable experiences and memories that this event will undoubtedly provide, further deepening our sense of pride as students of Bharati Vidyapeeth University.

Thank you for your unwavering support.

Sincerely,

Omkar Mane
