NURSES SONG

Help me in this vocation take good decision make
Equipping me with readiness to care and understand
Light in me the light to serve today
Pour in me the oil of love every day
When every things in agony, desperate around me
Help me with this light in me to bid the darkness flee

Let not the noble sense of sacrifice with time delay
Nor let honesty, discipline and poise fade away
Help me discover, delve, decide and do
Discriminate, plan and give good care
When every things in agony, desperate around me
Help me with this light in me to bid the darkness flee

Let every right imply to me-responsibility
And every opportunity just -obligate me
Light in me the light to serve today
Pour in me the oil of love every day
When every things in agony, desperate around me
Help me with this light in me to bid the darkness flee
