Category-I Deemed to be University by UGC
Ranked consistently amongst the top 100 Universities by NIRF

Policy for Declaration of Results (2021-22)

POLICY

Bharati Vidyapeeth:

Bharati Vidyapeeth, the parent body of Bharati Vidyapeeth (Deemed to be University), Pune was established in 1964, by distinguished educationist Dr. Patangraoji Kadam, with a mission of promoting "Social Transformation Through Dynamic Education'. The institution aims to provide enhanced learning opportunities and bring about intellectual awakening of people through the spread of education that would have a positive impact on the world. Since its establishment, it has maintained the highest standards and has proliferated inventive practices in the education sector.

Bharati Vidyapeeth (Deemed to be University):

Bharati Vidyapeeth (Deemed to be University) is one of the largest multi- faculty, multi-campus Deemed to be Universities in the country which has created a very laudable track record of academic achievements since its inception.

In 1996, 12 institutions of Bharati Vidyapeeth were accorded Deemed To Be University status in 1996 for academic excellence by the University Grants Commission (*vide its notification no. F.9-15/95-U.3 on 26th April 1996 under section 3 of UGC Act 1956*). Presently, the university is having 29 constituent colleges, along with schools, off campus departments and centres under 12 different disciplines including Modern Medicine, Dentistry, Ayurveda, Homoeopathy, Nursing, Arts, Science, Commerce, Engineering, Pharmacy, Management, Social Sciences, Law, Environment Science, Architecture, Hotel Management Tourism and Catering Technology, Physical Education, Computer Science, Library Science and Information Technology etc. spanning over campuses in Pune, Navi Mumbai, Kolhapur, Solapur, Sangli, Karad and New Delhi, thus catering to the students from rural as well as urban and metro cities.

The University was accredited by the National Assessment and Accreditation Council (NAAC) with the prestigious 'A' grade in 2004 and reaccredited with 'A' grade in 2011 (second cycle). Under third cycle of assessment, the university is accredited with 'A+' grade by the NAAC in 2017. The University has been graded as Category-I Deemed to be University by UGC under its Graded autonomy regulations. The University is a Member of Association of Indian Universities and also a Member of Association of Commonwealth Universities. It has been consecutively ranked within the Top 100 universities in India by National Institutional Ranking Framework (NIRF), Ministry of Human Resource Development, Government of India since the beginning of NIRF.

The University puts a premium on research. It is probably the only Deemed to be University in the country having three self-financing research institutes as its constituent units viz. (i) Interactive Research School for Health Affairs (IRSHA), (ii) Research and Development Centre in Pharmaceutical Sciences & Applied Chemistry, Pune. and (iii) Yashwantrao Chavan Institute of Social Sciences Studies & Research, Pune, which are involved in advanced research in Bio Medical Sciences, Pharmaceutical Sciences and Social Sciences.

The university boasts of world-class infrastructure and facilities, significant achievements in research, several innovative academic programs, best teaching-learning processes and national, as well as, international collaborations. Over the years, the Bharati Vidyapeeth (Deemed to be University) BVDU, has attained academic excellence and offers programs in innovative and emerging areas, through its constituent colleges, schools and departments including three research institutes dedicated exclusively to research.

Declaration of Results

This document states the policy adopted for the declaration of results at the university.

POLICY FOR DECLARATION OF RESULTS

POLICY FOR DECLARATION OF RESULTS

The University mainly conducts two examination seasons every year i.e. Winter and Summer.

1. Examination Schedule:

The results of the concerned programme after conducting Practicals, Internal Assessment and University Examinations shall be declared as per the dates specified in the examination schedule. These dates are approved at the meeting Board of Examinations chaired by the Hon'ble Vice Chancellor before every examination season.

2. Submission of Marks:

The Institutes shall submit the Internal Assessment marks, Practical marks (wherever applicable) etc. five days prior to commencement of University examinations of the concerned programme. The CAP Director shall submit the marks after conduct of evaluation of all answer scripts (Central Assessment Programme) to the Controller of Examinations. The marks are then uploaded to the software system, where the results are processed and the Ledgers and Grade Cards are printed.

3. Issue of Grade Cards after declaration of results:

The results are declared as per the examination schedule by the Controller of Examinations. A printed grade card with the signature of the Controller of Examinations and to prevent duplicity a holo sticker is also pasted on the Grade Card which are then issued to the concerned institute. The Institute then issues the same to the individual student by second day of the date of declaration of results.

Cumulative Grade Point Average (CGPA) measures a student's academic achievement in a certain academic program. It is computed by taking the average of SGPA from all semesters or academic year. For students who need to show their academic achievement in percentage terms, CGPA to Percentage of marks conversion is provided. The Controller of Examinations, on the request made by the student, for the purpose of seeking admission for higher education, attending competitive

examinations or for securing placement etc. issues a certificate where, equivalence percentage is mentioned. The percentage is calculated by a formula to convert CGPA to percentage as per university norms.

4. DigiLocker:

As per the guidelines of the UGC, digitalized grade cards, provisional degree certificates, degree certificates, etc. from the academic year 2021-2022, should be stored at digital depository of DigiLocker.

The Grade Cards are uploaded by the university within three months of the declaration of results of the concerned programme and the Degree Certificates are uploaded after every convocation. With DigiLocker, students and educators can now securely access and manage their educational credentials, such as degrees, diplomas and grade cards, anytime and anywhere. The platform eliminates the need for physical document storage and significantly reduces the risk of document loss or damage.

5. Academic Bank of Credits:

Academic Bank of Credits (ABC) is a digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. Every student has to create ABC ID at the DigiLocker portal. The institute then enters the ABC ID of every student in the software system of the university. The university then uploads the data with ABC ID of the students at the DigiLocker portal and within 48 hours the student can view their documents in a digital format and the credit details at their ABC ID.
