**Teacher's day**

Teachers' Day was celebrated on 5th September 2022 with fervour and devotion of Teachers, as it does each year. The occasion was planned to honour the teachers' commitment and labour of love.

The college auditorium where it took place was exquisitely decorated with flowers, paper cuts, and festoons. The lamp was lit to kick off the ceremony at 11 a.m. The principal (Mrs Shamim Shaikh) made a speech about how educators shape society.

The committee head (Mrs Vidya Tale) praised the instructors and encouraged the pupils to develop into both good students and good instructors. Cake cutting was done as the programme progressed.

To convey their emotions, students performed a variety of cultural acts, including speeches, poems, dances, and songs. All of the teachers were pleased with the pupils' activity. The occasion was finished with a formal vote of appreciation from the students who had created a beautiful card for the teachers.
