Convener                    HOD (MBA)            HOD (MCA)            DIRECTOR

NSS Unit of Bharati Vidyapeeth Deemed University, Abhijit Kadam Institute of Management and Social Sciences , Solapur had organized online Webinar on “Biodiversity and its Conservation” by Dr.Rajendra Lavate Head of the Department of Botany,Raje Ramrao Mahavidyalay, Jat on the occasion of “World Environment Day”on 05<sup>th</sup> June 2021. Director Dr.S.B.Sawant ,NSS Prgroam Officer Prof. C.R.Suryawanshi HOD Management studies Dr. Pritam Kothari Computer HOD Dr.A.B. Nadaf ,all faculty members of the institute and NSS volunteers attended webinar on online mode.

Webinar was focused on various advantages of Biodiversity , Types of conservation , natural and Man-made causes for the loss of biodiversity. Natural causes includes floods, earthquakes ,landslides, natural competition between species lack of pollination and diseases .Man made causes includes destruction of habitat in the wake of developmental activities like housing agriculture ,constructions of dam ,reservoirs ,roads ,railway track. A large number of species are threatened by overhunting ,poaching and illegal trade .Incremental use of toxic chemicals and pesticide and over exploitation of wildlife resources for commercial purposes responsible for decline in the numbers of some species

Management HOD Dr. Pritam Kothari offered vote of thanks.
