

PUBLIC HEALTH DENTISTRY

WORLD CANCER DAY CELEBRATION

World Cancer Day is marked on 4th February to raise awareness of cancer and to encourage its prevention, detection, and treatment. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer.

To celebrate the day and spread the awareness, Department of Public Health Dentistry and cultural committee organized an event consisting of various activities.

ACTIVITIES DONE:

1. Cancer Awareness Drive done in Kharghar
2. Skit performed by students on ill effects of tobacco use
3. You tube blog created by the Public News 24.
