- **The overview of the Camp:** An urban camp was conducted on Rheumatology – Osteoarthritis and Diseases of Bone awareness month under the guidance of the I/C Principal/Hospital Superintendent of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College and Hospital, Dr. Avinash Mhetre.
The camp was inaugurated by I/C Principal and Hospital Superintendent Dr. Avinash Mhetre along with faculty members of the Dept. of Repertory, Dept. of Pathology & Camp In charge. The Promotion of the camp was done through E-brochures and pamphlets which were distributed by the interns and the P.G. Scholars. Banners regarding the camp details were displayed at the Hospital, Bharati Vidyapeeth campus, and nearby societies. The P.G. Scholars and Interns went to nearby colleges and in every classrooms and delivered an information regarding Osteoarthritis and its symptoms and complications and also gave information about the Homoeopathic management for avoiding the further complications in future. The camp was successful with good response of 66 beneficiaries in total. Special focus on diet, yoga exercise was given for Osteoarthritis patients .Patients were also emphasized to get themselves investigated. Early diagnosis can reduce treatment duration. Children who were diagnosed with delayed milestones of walking due to weak bones were encouraged to increase calcium intake through diet and were also prescribed calcium supplements wherever needed.
