Notice regarding University Backlog Examinations for Summer 2020

The authorities of the university have decided to conduct backlog examinations of the Summer 2020 session for students of intermediate semester / year, which will be held from 21st December 2020 through remote proctored online MCQ mode. This examination will be termed as "Backlog examinations - Summer 2020" and shall be exclusively for only those students who had backlogs and filled their examinations forms in Summer 2020 season and is reflected as "NE" in the marksheets for Summer 2020 examinations. There is no need of any examination form filling as these students have already paid the examination fees.

The examinations will be held online and it is compulsory to make arrangement of requisite hardware and software such as Laptop or desktop with webcam (with minimum 2 GB RAM and 1.3 GHz processor), minimum 512 kbps uninterrupted internet connectivity and uninterrupted power supply and other requirements.

The detailed time table will be available at the concerned institute and the university website. You are requested to keep yourself updated by visiting this website as well as by contacting your institute.

The login credentials will be sent either through email or SMS to the email id / mobile number registered with the University office.
