

**Bharati Vidyapeeth
(Deemed to be University), Pune**

Important Notice

Subject: University Examinations for final semester/year students

The University will conduct the examinations for the final semester/year students through remote proctored online internet based examinations.

It is desired that all students should appear for the examination. However in Stray cases where the students could not appear for online examination and also those who could not complete the examination due to satisfactory technical difficulty, special examination (supplementary) may be conducted by the University when the situation becomes normal and conducive for conducting offline mode examinations with advance notice.
