Training Report: RFID set up at Library

The institute library has purchased RFID automation system through Origin Technology, Bangalore. The setup is consisting of circulation module, hand held reader, RFID reader, gate security system and drop box. On March 9, 2018 the complete system was installed, and satisfactory demo was given. Every library staff member was trained to operate circulation module.

The circulation module is integrated with students/faculty database, library rules & text book database. It can be used for issue and return. All books of library are tagged with RFID tags.

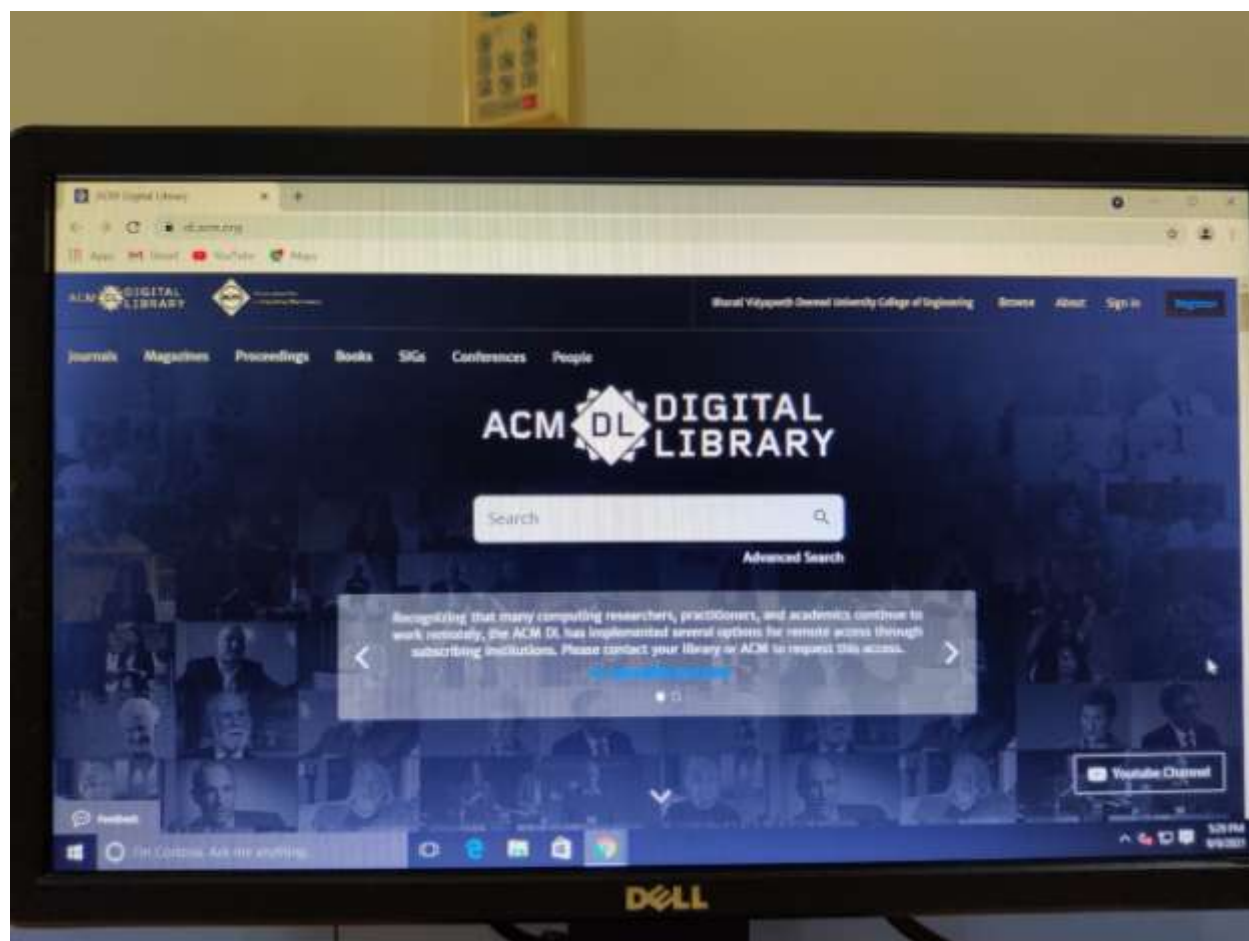

The hand held reader is useful for stock verification and book search. The Gate security system gives alert for unauthenticate usage of books. The drop box is integrated with access control card and useful for book return.

The training was given for operating and maintenance of entire system.

**FOUNDATION YEAR FOR CENTRAL LIBRARY: 1978**

The library in any organization plays a very crucial role in the academic enhancement of the institution. In this rapidly changing information technology environment to cater to the diversified information needs of the users and to efficiently manage the library these personnel (staff) require certain skills. The library and information curriculum is entrusted for this task to empower the upcoming generation with this relevant knowledge. Thus the role of library and information science departments is also vital.

**OBJECTIVES OF LIBRARY**

- To cater to the Curricular, Intellectual and Creative Information needs of teachers and students by providing open access to the latest and relevant information sources available in the library.
- To inculcate Reading Habits amongst students by conducting book exhibitions in the college.
- To organize Information Literacy Programme helping the students to use the library effectively.
- To act as a facilitator in interlibrary loan service by collaborating with different libraries.

The Bharati Vidyapeeth (Deemed to be University) Yashwantrao Mohite College of Arts, Science and Commerce, Pune has started the Bachelor of Library and Information Science Master of Library and Information Science in 2010.

To develop the overall personality of the students this department organizes several co-curriculum and extracurricular activities in which the students are encouraged to participate. Guest lectures by eminent personalities in the field are frequently organized for their academic enrichment.
